

AMMRA

Sep. 18-19, 2025

Mouse resources for illuminating the mammalian genome function
- Non-coding genome and decoding behavior -

Program

Sep. 18 (Thu.)

- IMPC and
non-coding genome session
- Poster session and networking
- Welcome banquet

Sep. 19 (Fri.)

- AI-powered behavioral
analysis session
- Report from each institute

Invited Speakers

Yasuhiro MURAKAWA

Institute for the Advanced Study of
Human Biology, Kyoto University

Yann HERAULT

Institute of Genetics,
Molecular and Cellular Biology

Host

AMMRA

The Asian Mouse Mutagenesis & Resource
Association

Co-host

RIKEN BioResource Research
Center

Tsukuba Digital-Bio

International Center

The 15th AMMRA & AMPC Meeting
in Shimadzu Tokyo Innovation Plaza, Kawasaki
