

2021 AMMRA & AMPC meeting agenda

AMMRA
2021 AMMRA & AMPC Meeting
Asian Mouse Mutagenesis Resource Association

Coordinated Universal Time plus 8 hours (UTC +8)

- 08:00–08:15 **Opening remarks**
Leo Wang
- 08:15–08:30 **Animal models and resources in Taiwan**
Genie Chin/ NLAC
- 08:30–08:45 **Introduction of Laboratory Animal Resource Center, KRIBB**
Ki-Hoan Nam/ KRIBB
- 08:45–09:00 **Progress report of mouse resources in KMPC**
Je Kyung Seong/ KMPC
- 09:00–09:15 **Progress report of mouse resources at RIKEN BRC**
Atsushi Yoshiki/ RIKEN BRC
- 09:15–09:30 **Progress report of technology development at Japan Mouse Clinic**
Masaru Tamura/ RIKEN BRC
- 09:30–09:45 **Progress report of mouse resources and reproductive technology at CARD**
Toru Takeo/ CARD
- 09:45–10:00 **Australian mouse phenomics resources**
Michael Dobbie/ Phenomics Australia
Using CRISPR for genetic biocontrol (gene drives) in mice
Paul Thomas/ University of Adelaide & SAHMRI
- 10:00–10:15 **Personal perspectives for novel mouse models for the next 10 years**
Xiang Gao/ NRCMM
- 10:15–10:30 **Humanized mouse models: I/O humanization for tumor immunology studies**
Cunxiang Ju/ Gempharmatech
- 10:30–10:45 **An update of the PBmice Library**
Lei Sun/ Fudan University
- 10:45–11:00 **Novel animal models for noncoding RNA research in CAS**
Yong Tian/ LAR, CAS
- 11:00–11:30 **AMMRA BOD meeting**
Leo Wang
Je Kyung Seong

 **NARLabs** National Applied Research Laboratories
National Laboratory Animal Center
