Instructions for Oral Presenters

- All presenters are requested to use their own laptop for their presentation.
- We recommend using widescreen (16:9) for your presentation to ensure proper display.Standard (4:3) is also acceptable, but the content may appear smaller on the screen.

Please be prepared with the following items

- Your own laptop
- Power adapter / battery
- HDMI adapter (if your device requires one)

Before your presentation begins

- Connect your device to the projector using an HDMI cable.
- Share your presentation file on screen at the start of your talk.
- Please use your computer's highlighter tool instead of a laser pointer.

If you experience any connection issues, please contact the staff in the hall for assistance.
